

Tips and Instructions for Sorting your Empties

- 1. Collect all necessary supplies beforehand:**
 - Bag Buddies, provided by us (\$10.00 refundable deposit / bag buddy required)
 - Bags, provided by us
 - Felt markers
 - Cardboard or heavy paper to mark partial quantity bags
 - Elastics
 - Boxes for loose bottles
- 2. Only ready to drink beverages accepted, no milk, milk substitutes, soup or meal replacements.**
- 3. Use only Encorp bags for ready to drink beverages. Do not use these bags for beer, wine or liquor products unless specified.**
- 4. Do not use twist ties to close bags. Tie two overlapping knots at the top of the bag.**
- 5. For bottle drives over \$300.00 free pick up service is available when arranged in advance.**
- 6. Mark partial quantity bags clearly*-** On a large piece of cardboard or heavy paper, placed inside the bag, use a felt marker to mark quantities as shown below.

Alcoholic Ready to Drink Beverage Containers

Beer and Cider Cans – full bag 288 cans (12 flats of 24 cans) **mark partial quantity bags clearly***, non-alcoholic beer is considered pop. **Encorp bags should be used ***.

Beer, Cider and Cooler Bottles – leave bottles in cases, all loose bottles without cases place upright in ordinary, strong boxes, keep tall bottles separate and cases dry – **mark quantities clearly *no pop bottles or soft cider***

Wine and Liquor Bottles

Glass - separate 1 litre and under from over 1 litre
- place upright in strong boxes
- **mark quantity on side of box**
- **no beer, pop, or cocktail mixes***

Plastic – 1 litre and under – full bag 120
- over 1 litre – full bag 50
- **mark partial quantity bags clearly***, remove caps.

Wine Bag in a Box – full bag 15 – flatten box with bag inside, **no non-alcoholic juice***
